PORT SIDE SERVICES & REGULATIONS

Brows/Gangways

Gangways must be positioned so as not to obstruct the free flow of pedestrian traffic on the brick promenade. Gangways must use chafe gear so that they do not harm the bricks.

Cannon/Gun Salutes

Notice of intent to fire cannons and/or guns must be given 48 hours in advance to Sail Baltimore or the city Dockmaster as the waterfront community needs to be aware of this.

City Promenade Rules & Regulations

City regulations require no selling of tickets or charging admission for visitors to board visiting vessels. However, donations may be accepted onboard the vessel. No merchandise may be sold on the promenade, but may be sold onboard the vessel.

No tents or other structures may be placed alongside the vessel on the promenade. Signage may be placed alongside the vessel, provided that commercial sponsor names/logos do not appear larger than 20% of the sign.

Diving

Diving is not recommended in the Inner Harbor. The Dockmaster's office (410-396-3174), the Inner Harbor Police (410-396-2149) and the Marine Police (410-396-2325) must be notified prior to diving. US Navy divers can be reached at 410-293-9170.

Guards & Firearms

It is not necessary to assign guards ashore. Under no circumstance should any officers, cadets, midshipmen, or crew members go ashore with firearms. You may post sentry with a holstered side arm to stand guard at your gangway. We respectfully request that automatic weapons or long guns not be displayed on ship in the Inner Harbor area.

Fresh Water

| | |
|---|--------------|
| Inner Harbor & Fells Point - contact Dockmaster | 410-396-3174 |
| Locust Point (South & North) - contact Maryland Port Admin. | 410-633-1076 |

Fueling & Ship Maintenance

Due to serious environmental concerns and strict regulations, the following activities are forbidden:

painting, varnishing, sanding and fueling

Arrangements for fueling at anchorage can be made by calling Vane Brothers Company at 410-735-8118.

Parking

Private cars, vans, trucks and other vehicles **are not permitted** on the brick promenade at any time. Public garages and parking lots are available throughout Baltimore City.

Sewage Removal

Black Water: Federal regulations forbid the discharge of untreated sewage into the Chesapeake Bay and the Inner Harbor. In order to discharge treated sewage, vessel must prove that it is in compliance with federal regulations. Failure to do so will result in a large fine.

IMPORTANT: United States Environmental Protection Agency (EPA) regulations require that overboard pump-out must be locked if the vessel is not connected for sewage removal.

Gray Water: It is illegal to pump bilge and gray water overboard if it is contaminated with oil.

Lang Septic will connect and disconnect, or provide truck or tanker as needed, call (410-679-2662)

In case of emergency: Bobby Lang (410-960-6832) or Sonny Wagner (410-960-6287)

Ship Supply Replenishing

For safety reasons, it is requested that all supplies be loaded onto ships in the early morning (between 0600 and 0900). Heavy supplies, such as oil drums, heavy machinery and large ship parts, are not allowed to be loaded onto vessels from the brick promenade. Heavy supplies can be unloaded by barge only. Please make arrangements with your shipping agent regarding this.

Delivery trucks and service vehicles are permitted on the brick promenade between 2301 and 0859 hours and only for the time necessary to complete the purpose for which the promenade is needed. Access at other times requires a valid permit, which can be obtained by completing application through the Director of Recreation and Parks 48 hours before needing access. For information call Baltimore City Department of Recreation and Parks Permit Office at 410-396-6003.

Telephones for crew use

Pay phones can be found in local hotels. Most pay phones accept AT&T calling cards and other phone credit cards. In the absence of telephone credit cards/calling cards, pay phones will accept American coins.

Trash Removal

Visiting vessels are required to observe US and Maryland State laws which forbid the disposal of sewage and garbage into the Inner Harbor and Chesapeake Bay (coastal waters). Contact one of the USDA certified companies listed on page 3.

SECURITY

Local police are here to assist you. Feel free to call them if you have a concern or need assistance. The contact for visiting ships is Lt. Steven Olson of the Inner Harbor police. The Inner Harbor police phone number is 410-396-2149. The Fells Point (Southeast district) police contact is Sgt. Kenneth Williams at 410-396-2422.

The safest places to go in the city are in and around the waterfront area. If you are traveling around the city, we suggest you travel in groups and be careful of the area around you.

Drugs are illegal in Maryland. If you are caught with any amount of drugs, including marijuana, you will be arrested.

The police have undercover agents posing as prostitutes in and around the city, so beware of soliciting them as prostitution is illegal here and you will be arrested.

The police recommend that the sailors stay away from the area of east Baltimore Street between South and Gay Streets. This area is known as “The Block” and there is a lot of illegal activity here.

The pubs and bars in Baltimore generally close at 0200 hours. You must be of legal drinking age (21) to drink in pubs, bars and restaurants.

There is a police office located on the west side of the harbor on Key Highway, under the Rusty Scupper Restaurant next to the Dockmaster’s Office. Police are generally available throughout the day until 2400 hours.

Transportation Worker Identification Credential (TWIC)

The TWIC is a tamper resistant biometric security credential administered by the Transportation Security Administration (TSA) and U.S. Coast Guard. A TWIC card or escort is required for access and egress at each of the Maryland Port Administration's regulated marine terminals — North Locust Point, South Locust Point, South Locust Point Cruise Terminal, Dundalk, Seagirt and Fairfield. ***The TWIC credential is not required at the Inner Harbor or Broadway Pier.***
